

EXPLORER 62

MORE THAN A YACHT. A SIGNATURE OF INDEPENDENCE.

EXPLORER

MORE THAN A YACHT. A SIGNATURE OF INDEPENDENCE.

Built for individuals who appreciate
quiet power, timeless design,
and complete freedom.

Explorer Yacht is the signature line of LOY S.r.l., an Italian shipyard where engineering precision meets refined design.

Born from German vision and Italian craftsmanship, Explorer redefines modern yachting with clarity, functionality, and timeless style. Three core principles define Explorer:

- Year-round comfort through advanced innovation
- A design language where elegance meets purpose
- Resilient architecture, built for consistency in every condition

Every Explorer yacht is the outcome of in house engineering and refined craftsmanship.

Step on board and discover a space where every line, material, and light source is curated to elevate the experience at sea.

From panoramic views to the harmony of textures and tones, Explorer interiors are designed to feel both sophisticated and intimate.

Bespoke layouts, natural light, and a seamless connection between inside and out: everything aboard is built around your rhythm.

EXPLORER 62

From the helm to the galley, every area aboard the Explorer 62 is designed to feel like home with the precision of a ship built to go further.

Panoramic visibility, refined finishes, and seamless layouts offer a sense of space, light, and clarity. Form meets function in every detail, creating an environment where design and navigation are one.

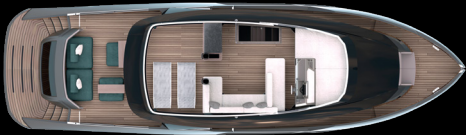

This is the new standard of life at sea.

SPECIFICITY	
Overall hull	18,54 m
LOA Hull	17,50 m
Beam	5,24 m
Air draft	8,41 m
Draught	1,40 m
Unloaded weight	34 T
Loaded weight	39 T
Person capacity	16 P
No. Cabin	3 + 1 option
Sleeping	6+1
No. Crew Cabin	option
Sleeping (crew)	1
Garage capacity	Williams 345 / JET-SKI Spark Trixx

TANK CAPACITY	
Fuel tank	2400 l
Type	Structural
Fresh water tank + Boiler	900 l + 80 l
Type	Structural
Grey water tank	400 l
Black water tank	360 l
Type	Classic plastic

ENGINES	
Band	VOLVO PENTA
Model	2 x D8 - IPS 800
Base / Propulsion	IPS
HP Power	591 hp / 435 kW
Fuel type	Diesel
Economy cruising speed	10 knots
Autonomy at economy speed	400 nm
Normal cruising speed	16 knots
Autonomy at normal speed	320 nm
